Connecting to your Visit

Step 23

Your visit has now started. You will see a video “Welcome to Virtual Visit”. While you watch this, your doctor is opening your profile and getting ready for the visit.

Connecting to your Visit

Step 24

When the provider starts the visit, you will see the message that your video is being set up.

Connecting to your Visit

Step 25

You may see a message that the video is trying to “Establish a Connection”. This could mean the connection is taking longer than normal. Try:

1. Checking the strength of your WiFi
2. Switching off your WiFi on your phone and connecting over Cellular (3G/4G)

How to Troubleshoot if your Visit does not Connect

Step 26

You may see a message that the video is trying to “Establish a Connection”. This could mean the connection is taking longer than normal. Try:

1. Checking the strength of your WiFi
2. Switching off your WiFi on your phone and connecting over Cellular (3G/4G)

Navigating through the video visit
